

Second Announcement

Dear friends and colleagues!

We are glad to inform you that the international conference "Theory of approximation of functions and its applications" in honor of the 75th anniversary of Doctor of Science, Professor, Corresponding Member of the NAS of Ukraine Alexander STEPANETS (1942-2007) will take place in Slovyansk (Donetsk region, Ukraine), May 28 – June 3, 2017.

The main organizers of the conference are the Institute of Mathematics of National Academy of Science of Ukraine and the Donbas State Pedagogical University.

The following topics will be presented on the conference: Theory of approximation of functions and Differential equations. We expect about 50 participants. Official languages are Ukrainian, English.

The program of the conference consists of plenary lectures and section talks. The duration will be 30 minutes (plenary lecture) and 15 minutes (section talk). You can find a tentative program of plenary lectures on our site. Complete program will be available soon.

SOCIAL PROGRAM: Festive concert on the occasion of the 70th anniversary of the physics and mathematics faculty will take place on Monday, at 14.00, the Welcome Party (free of charge) – on Monday, at 16.00 in the Main Building of the University. The Conference Dinner (for additional price) will be held on Thursday at 18.00.

It is planned the Bus Excursions to Sviatohirsk (Wednesday, from 13 p.m. to 18 p.m., cost - 150 UAH) and to Soledar (Friday, from 13 p.m. to 18 p.m., cost – 250 UAH)

Note that May 29 is the first working day of the conference. June 3 is the last working day.

REGISTRATION: Conference fee is 250 UAH for participants from Ukraine, 30 \$ (UAH equivalent) for participants from CIS and 100 \$ (UAH equivalent) for participants from the other countries, and to be paid upon arrival.

We shall be glad to meet you and your colleagues in Slavyansk.
